2nd semester: August – December

Monthly Fees and Rates

Students from partner universities can undertake exchange programs for up to one semester without paying monthly fees or taxes.

Arrival

We recommend that students plan their arrival in Brasília at least 1 week before the start of the academic semester, according to the academic calendar.

Cost of living

It is recommended to set aside around R\$1,200 per month plus accommodation.

Accommodation

UCB does not have student housing or accommodation. However, we can suggest some accommodation options near the university. The choice of accommodation, as well as its costs, are the sole responsibility of the student and must be paid directly to the service provider. The approximate cost of accommodation per month can be between R\$1,600 and R\$2,400 (based on values from 05/2025 for accommodation in neighborhoods close to UCB).

Transport

To get to UCB, students can get off at the Taguatinga Sul subway station, which is a 20-minute walk from the university; or get off at the bus stop located in front of the institution's main entrance.
